Prices listed are estimates and may change depending on the individual and his/her spending habits. Each person may have personal expenses, such as medicine, that need to be added to this total. The intern should add these costs to the expenses and totals accordingly.

Prices for tickets and a bike vary greatly. The prices quoted here are an estimated average. "Train Fares" is for a Eurorail Pass to visit missionaries and mission fields in other European countries, whereas the monthly transportation expenses are for the Peine-Hanover daily travel.

This budget is not for those wanting a luxury cruise. The intern's costs will, of course, be affected by the rate of exchange.
